Sunday Eve

Dear Hon:

Today was the day I was going to get so much done. Write a lot of letters, wash clothes and shine shoes. So far all I've done was go to Church and shine my shoes. I've been lying around all day trying to fight off a head cold.

Worked all day Saturday then went to a show, "Flesh and Fantasy" last night. It was a fair show - and different.

Tried to call you at the Davis house at 8:30 P.M.

Didn't really expect to find
anyone home but thought
there might be.

We will have to get together
on a time to make our
calls, 8:15 to 8:30 is a pretty
good time for me. There
are usually too many
around the phone booths
at seven. However, I don't
have anything to do but
kill time so you name
the time and day.

Free show at eight
tonight - including a movie
and a stage show, but I'm
not sure I'll go.

By the way, it will
probably be November
before you get the October
allowance check. It takes
about that long for them to come

Through.

Also, I'm enclosing my copy of the insurance policy. Put it in the Safety Deposit Vault. By the time they deduct the Oct-Nov. payments of \$7.40 each from our Oct pay I'll be owing them some money.

Church services were interesting this morning. They had a good solo from one of the boys - just a hymn and an exallant violin solo from one of the boys who has quite a national reputation. He is going to give a concert here soon.

Went to the Protestant service at 9:00 AM. Believe the

Chaplan ^④ was probably
Episcopalian. He gave a
good short sermon. Catholic
services were to be held
at 10:00 A.M. in the same
place. Probably 50 fellows
at church. Oh, yes, they
also had an electric organ.
Musicians were all in a small
balcony in the rear of the
church.

Tell Pat and Graham the
new pipe is very satisfactory.
Started smoking it last night
and like it very much. The
easiest pipe to break in and
gives a dry smoke.

Did the Davis family
take you out Saturday
night? How was church
service today?

Have you mailed in my
ration book? That should
be done very soon.

Did you get your extra
gasoline allowance?

How about coming up
some week-end soon?

Do you have any holidays
coming along when they
are going to dismiss school?

By the way, look for a
small laundry bag for
me. I need something to
keep dirty socks, underwear
and towels in. — one about
half as big as our old
dirty clothes bag.

Did the Wilsons get
moved in and are there
any adjustments to be
made besides for the
paper, water, and trash hauling?

How are you coming along financially. I've got \$14 left, which should last for some time unless something unexpected occurs. I wrote Nielsen to send my checks up here. Should have one next week and will send it to the bank.

They shipped out about half of our farracks last Saturday night. Sure hated to see the boys go but wished I could have been with them.

Guess this is all for now, Hon. Tell everyone hello for me.

Love
Harold
