Reception Center

Fort Lewis, Washington

6:15 Monday Eve.

Dear Audrey:

I've found another place to do my writing. I'm over at the Hdq. Company Recreation Room now. I can use it since I've been moved.

We have two pool tables, a writing room with free paper, radio, magazines, and a card room. It is much better than the barracks.

I came over yesterday afternoon with Ed McKeon and played some snooker. We had walked down to the main post office to mail our letters and had also found the bowling alley closed and so we came back here.

Unless something very unexpected comes up, I won't be able to get a week-end off until the last of November or first of December, so you had

better plan on coming up this
next week-end.

I'll probably get next Thursday
evening off - if I can't travel
Friday and go to DuPont to
show you some pointers on
bowling. If you are going to
stay at Dupont I might be
able to get Friday off instead,
but that is a hard night to
get away.

I had better call you Thursday
evening at 7:00 and find out
when you are coming up and
where you are going to stay.

You could stay right here
on the boat at the guest house
for 75¢ (Sat night or Friday and
Sat) and if get off Friday eve
might get a room in Olympia
or Tacoma. Well, you let me know.

Has the bank sent you the
duplicate slip on my (our) check
and have you got paid yet and
if so how much -

Love,
Harold (?)
