

8:20 P.M.

Tuesday

Dear Audrey:

Here I am still in camp. Didn't go to town tonight as there were too many wanting to get off.

Had to stay at the office until five tonight. We were supposed to have a discussion between 4:15 and 5:00 but there was nothing to talk about (military) so we just sat around.

After eating dogs and kraut and baked beans (!) I washed then took a shower. Went over to the Company Recreation Hall to write you but forgot my pen. Played a game of snooker (won), then had a real

milkshake at the P.X. and finally got around to the letter.

Big news! I'm trying to buy someone's pass privilege for \$2.50. If so I'll be home Saturday. Will let you know Thurs.

If Wandah is still there we will get a room at the hotel.

There is a possibility that I may be shipped out to Camp Lee Virginia next week.

Dawned near froze last night. Had only two blanket but didn't put my overcoat on the bed because it was so warm when we went to bed.

Guess I'd better crawl here  
P.S. will call at 7 Thursday.  
Love  
Harold

W by my letter who's taking us home? or Tue?!
