

6:30 P. M.

Tuesday

Dear Hon:

We are still here at Camp Lee, Hon, and may be for the balance of the week. Don't know what they will do with us if the new men keep on coming in as fast as they have been. Several from Ore., Wn, and Cal. this time.

Today I cleaned guns, which was nice, inside work.

Yesterday several of us went out to the Company-drill area and did some work. It was cold as heck so we

spent most of our time
around the fire. Most of
the snow is gone now
but there will probably be
more soon.

Why didn't you just
re-open our old savings
account? It doesn't make
and particular difference
but that would have been
the easiest thing to do if
they would let you.

If and when you sell the
car (I'll let you know) put
half of it in savings and
the rest in checking and
buy \$200.00 worth of travel
checks and your ticket
one way. We'll worry about

the one back later on.
By the time the \$200
runs out we should be
sufficiently acquainted
to be able to get checks
cashed.

As soon as I get to
where I'm going (?), I'll
try to find a place for
you to stay and also let
you know where it is and
how to get there - just in
case something happens so
I can't meet you.

What is the school going
to say about your leaving?
We sure missed your letters,
Hon. There is no telling how
long we will be here.

so you might as well
keep sending them here
until I tell you diffent.

"Pop" sent me another
bundle of G.T's which I
enjoyed very much. I'm
writing him tonight.

Some of the "old" fellows are
showing the new ones how
to roll their packs etc. I
helped some of them this
afternoon so I'm being lazy
tonight.

And this "old" fellow
sends his sweet one all
his,

Love
Harold.

P.S. Don't worry about shirts etc. etc.

Don't get plenty to move now
