Dearest Hon:

They finally moved us
and I'm still here in camp
Lee - note new address.

I'm to go to a Clerk's
school here for the next
eight weeks, then to the 13th
Regiment for a week, then a
week of hikes, then A. P. Hill
for about 10 days, including
two hikes of about 30 miles
each.

We get plenty of hikes while
we are here in this Company
so should be able to stand it
at A. P.

Now for the #64 question..
How about your coming back
here? How long will it take
for you to get ready and
be on your way? I'm going
into Petersburg tomorrow, Sunday,
to see what I can do about
housing conditions.

I don't know how much I'll
get to see you, Hon, because we
have night problems here in
technical also - and Sunday
N. P. if our bed and locker
doesn't pass inspection. Around
here you get inspections day
and night.

Also, you may ~~not~~ not
want to stay here all of that
time.

Anyhow here are some items to be decided:

1. When you are coming.
2. Sell car(?) or store it.
3. Store household articles.
4. Get state Income tax blanks to fill out.
5. Give up teaching job or get a month off.

That #5 comes up because of this proposed bill to put everyone to work. I wouldn't want you working in some factory or the shipyard.

I'll call you Wednesday or Thursday night between 6 and 7—your time or

maybe earlier. If I don't start calling about 7:30 or 8: (my time) they may have so many calls they won't take any more. So you get home as early as you can those two nights and we will have a talk.

It worries me to have you making that long trip alone, Hon, watch out for the "wolves" and I mean watch out. They are really on the loose these days.

I love you, Hon, and I'm counting the hours until you get here.

Love,
Harold.
