Miss Katherine Graham
College

Dear Miss Graham:

It is gratifying to be able to let you know that our Board of Visitors has approved Dean MacLean's recommendation that you be promoted from instructor in to assistant professor of medical nursing, effective at once.

Acknowledgment of this letter for purposes of record will be appreciated.

We are grateful for your fine work here.

With cordial wishes

Sincerely yours

A large, stylized handwritten signature in black ink, appearing to read 'W. T. Sanger', is written over the typed name and title.
