Friday Eve.

Dear mom & dad,

Just a quick note to let you know that all is well & loading better. Glad to hear from you today. I start on Ward Medicine at MCV Monday for a month & work only every 3rd night which will be a great relief! I'll also cover Sheltering Arms Hospital at night so when I do work doubt if I get alot of sleep.

Not much news down here -
Only home 2 more days on O.B. -

Don't know when I will get home again. Next week - end I'm off & it's homecoming out at the U of R so thought I would go to the game - Hope to see you all before too long -

Hope you are both fine - will try to get me to see George Thomas' wife tonight if she's still in the hospital -

Love,
Charles Swan
