

Thursday Night

Dear Mom & Dad -

I'm sorry I've been so
long in writing - seems
like we have been
real busy lately -

I'm in gyn service @
St. Philby's now (July, Aug,
Sept) & have done

3 hysterectomies already in
the past week myself -

Believe this 2nd year

of residency will be real
good as far as surgical
experience goes -

Sorry to hear about
Conroy - I know that
must have been a
blow to the team -

Not much news
down here. Jim Gardner
is back now (in
orthopedics) & is apparently
happy on being back.

Sam did enjoy that
week of rest at golf in
June! Wish they came
more often!

When are you all
planning on taking a few
days off? Do you have
a trip planned or not? -
you all should take at
least 2 weeks off & just
be "plain lazy" - It would
be good for you both -

Hope you are both
well - Hope to get up
that way in 3 or
so weeks

Love,

Charles Mac
