

Wed. afternoon

Dear Mom + Dad,

Thanks for sending me the papers.

We have an exam tomorrow on Pediatrics + I have to work tonight so hope I'm not up all night long! We have another exam Sat. + then go off Pediatrics Monday. We finish up May on O.B. + G.N.

not much news down here - my boils have all cleared up - hope I don't have any more - at least not til exams are over!

I think we finish our exams on May 31st so I should have a week at home before I

go to Kingsport - June will be
glad to get this year me!

Spring has finally come down
here! I reckon it is pretty up there
now too -

No more news

Love,

Charles Mac
