

Tuesday Night

Dear Mom & Dad -

Have been wondering
if you all have had
some hot weather the
past few weeks like
we have down here -
It's been real hot -
not much news -
Hope to get home soon
but don't know just when
it will be as right now
I'm playing golf in the
Meadowbrook yearly Championship -
I have my first match
this Sat. - I crashed
this past week end & have

(2)

to work mid week end
(12th & 13th) -

Are you all planning
on going to Va. Beach?

If so when will you
all go down? If you
go there Robinsons hope
you can stop by
here for a while.

So far the work
this year has been a
little bit easier & will
be much better in
Sept. when the
students get back!

(3)

Bill Grobel (the
boy who went to Florida
& me) made a "hole
in one" last week end!

He's only been playing
golf one year now -

last Sunday a bunch
of us went down to one
of the OB residents house
at Urbanna (near

~~Pop~~ Joppabower Kenia)

& went water-skiing -

Had a good time but
the stringing needles
really got after us -

②

Hope to see you
all soon - will probably
be 3 weeks or more
before I get a chance
to get up that way -

Hope you both are
fine -

Dad - hope you are
planning on taking two
(yes two) weeks off
in Aug!

Love,
Charles Mae
