Dear Gertie, Roy & family,

Seems like such a long time since I last wrote or heard from any of you folks. Seems as though married life is keeping me too busy otherwise, anyway, do want to get off a few lines to let you know we're OK and that we'll be getting up to Pennsylvania before too long.

Bonnie's dad fixed us up a very nice 1946 Ford club coupe about two weeks ago and we're planning a trip up home before too long. I know it won't be for Easter since I think it's more in our place to go up to her home for Easter. Thought we might be able to make it soon thereafter. Incidentally, don't know if you got to see the wedding pictures or not. We only sent one set up home to Ella so she could show everyone of the family so far. We've been making up a few smaller sets and are making a set up for you too. Will probably bring them with us when we come up.

Don't remember if I had written since the wedding or not. We do want to thank you for the small picture of the head of Christ. We have it hanging above the chest of drawers in the bed-room. Looks real nice there. Don't remember if we wrote Kassy or not to thank her for the doilies but I believe Bonnie said she wrote her some time ago.

We're getting along very nicely. Our apartment is really beginning to look like home. We got a telephone quite some time ago and we did have every week-end off together but recently Bonnie's been working in the dispensary every other Saturday. So, we haven't been able to go anywhere much lately. We've been going to the nicest little Baptist church near us. We like it very much.

Happen to have a few of the wedding pictures here at the office and decided to send a few of them with this letter.

Let us hear from you when you have time. We've been wondering what has happened to the Miller's but I expect that you've been wondering the same thing. Hope to be seeing you before too long. We're still looking forward to that quilt if you can make it. Don't want you to go out of your way though.

Will be looking for a letter from you soon.

Love,

Earl & Bonnie
