Dear Bonnie,

I want to thank you and Earl for all the nice things you brought up for my birthday. I was feeling kind of low that day after being down to see Mother with all those sick people, when I think Mrs. Allison's was so much more home like.

Last Sunday afternoon we went up to see Aunt Edith (what a difference). She is still satisfied and everything so nice. There were two bus loads of young people from Pa. giving a concert.

giving a concert. What voices,
they were really good.

I took her apple sauce
cake, pecan pie, fruit and
two boxes candy. Told her to
divide with her friends which
I am sure she will do it.

She said she could not
use the bed spread we gave
her at Texas as it drug on
the floor. (that is the fringe) &
wanted me to bring it home.
It is for a single bed, but her
bed must be narrow or closer
to the floor.

Well the garage is sold.
\$35,000 he paid \$10,000
down & \$25,000 in 7 years

I am glad, as an old building always needs repair & then too Daddy is so forgettable at times. We are putting the money in savings & adding interest to the savings.

He has put the paneling on one side of basement and it certainly looks nice.

I am not quite satisfied with the ceiling (?) but says he will improve on that.

Ollie has been at Annie's two weeks is really going down hill. She is coming up here this week but says she can't stay too long as I won't

let her pay board. She stays
in bed most of the time so
weak has so much pain
in her back between shoulder
blades & her stomach is
getting so large. she has
lost 25-lbs. Annie says she
eats very little.

I would like to come
down for a day or two to
go shopping after Easter
when it suits you.

Ollie wants a permanent
so bad has an appointment
Thursday but Annie says
she can't sit up that long.
so I don't know how we
will make out Thursday.
Come up when you are able.
Love, Mother.

I forgot to tell you Jean ^{Norman} Elgin
is in Winchester Hospital
has been there since Jan. 6

Is taking shock treatments.

Alva Jane told me last
week she went over to see
her & Jean is better that
the nurse had taken her
out for a walk on the lawn.

Alva Jane said Jean
asked about you and I.

I sent her a card yesterday
Not a get well card just
something light - about how
much I appreciated she &
Mrs. Normans visit - last fall
& that I wanted her family
& yours to a picnic dinner
this spring.
