Your very nice (favor to hand?) a few days  
ago and the pictures are real good. The  
best I think that we have had taken and if  
you will send the bill I will pay for having  
them finished up.

We are all in about the same health as we  
were when you was here and we want you  
to come back and see us again.

We sure have had a lot of winter for the  
time of the year.

2  
Of the year. The ground  
has been covered with snow  
for 2 or 3 days & not all  
gone yet & real cold wind  
all the time & one morning  
20 below freezing &  
it isn't very warm yet  
your Mamma is still  
with us & we have enjoyed  
having her with us  
but she is going to start  
home tomorrow & she  
can tell more than I can  
write but we hate to see  
her leave real bad

give my love to all &  
let us hear from you  
often sincerely yours

The ground has been covered with snow for 2 or 3 days and not all gone yet and real cold wind all the time and one morning 20 below freezing and it is not very warm yet.

Your mamma is still with us and we have enjoyed having her with us but she is (?) to start home tomorrow and she can tell more than I can write but we hate to see her leave real bad.

Give my love to all and let us hear from you often. Sincerely yours. JO Conell
