Dear Sirs:-

Sometime since we wrote you in regard to laying board-walks in front of your properties at this place. We write you at this time to ask whether you will put down a board walk in front of your lot on Suffolk Ave! Every one else has agreed to put down a walk on that block, with the exception of yourselves and if you will signify your intention of doing the same, we will have it attended to at once.

We think that the laying of these walks will be of the greatest benefit to property on the West side of Suffolk Ave., as at the present time all the travel is on the East side where the walk at present is, and lots are more readily sought for on that side.

Very truly yours,

Graham & Co.
