

Dear Bonnie  
I want to thank you for that nice letter you wrote me. Aunt Anne is still improving can sit up about 3 hrs. a day now she has gotten so many get well cards I told her I believed that was helping her some. Grand Mother is about the same so very weak she cant walk only from the bed to her chair which is only a few steps she doesnt want me to get far out of sight so I have not been up to see Aunt Anne as much as I would to go. This morning is so pretty and bright a big frost but we have had so much cloudy weather the sun look good to me. I have not seen Mary Nancy for some time she was asking me then about you. I am glad you got through your exam so well. Did you take your trip to Washington D.C.?

Letter to Bonnie from her grandmother Margaret (Maggie) Corell Graham. Letter not dated but probably around April 1942. Grandmother (Page 1) is Mary Rutledge Thompson Corell, who died May 17, 1942 (age 89). Maggie was probably in Tazewell for several months taking care of her mother.

Dear Bonnie

I want to thank you for that nice letter you wrote me. Aunt Anne is still improving. Can sit up about 3 hrs a day now. She has gotten so many get well cards. I told her I believed that was helping her some. Grand Mother is about the same. So very weak she can't walk only from the bed to her chair which is only a few steps. She doesn't want me to get far out of sight so I haven't been up to see Aunt Anne as much as I would (like) to go. This morning is so pretty and bright. A big frost but we had so much cloudy weather the sun look good to me. I have not seen Mary Nancy for some time. She was asking me then about you. I am glad you got through your exam so well. Did you take your trip to Washington DC?

Tell mother I will try to write to her  
in a few days. To tell the truth I  
haven't any news to write any one.  
Have you seen Aunt Ollie lately or any  
of the rest of the family? Hope I will  
get home this Summer in time for us  
to have that picnic Uncle Carter &  
Auntie were talking about.  
guess it is most too soon to begin to  
think about picnic yet.

Bonnie write to me soon again I  
love to hear from any of you.

Give my love to all the family and  
a kiss for you & Charles me.

Lots of love to all  
Mammy.
