

Tuesday Night

Dear Earl and Family:

Please pardon my long delay
since receiving pictures.

I think them very good and
am so pleased to have the
whole family. I do thank you
for them. It was indeed a
pleasure to be with the family
for Mother's Day. Many thanks
for all the nice gifts.

This is not my first attempt
at writing. My disabled
shoulder and arm have
greatly hindered me since
early June. So glad all
could go to the Beach on vacation
from office, shop and hospital
work. Thank you for your

Letter written to Bonnie from her
grandmother Katherine Bondeena Yekey
Arnold (Nanna). Nanna was 89 years old
when she wrote this letter.

Card Bonnie! Looks like a
very restful place. Think I'll
join the crowd next year!
Ha! Ha! Bonnie this is
August 1st. and I finished
my spring house-cleaning
this very day. Something
to be proud of don't you think?
Must now close it's past my
bed time.

Come to see me

With love to all.

Nanna
