My Dear Wife:-

I rec^d? your letter this evening, and you don't know how glad I was to hear from you, and to know that you and our precious little idols and mother were all well. I feel sorry that I did not bring you and the babies with me for I know that you would have enjoyed it very much. I think the water is doing me a great deal of good.

Reba Ball is still here, and she is a very sick woman. She has female complaint.

Letter from WR Graham to his wife Maggie.

Hunter Pulaski Alum Springs

My Dear Wife:

I recd your letter this evening, and you don't know how glad I was to hear from you and to know that you and our precious little idols and mother were all well. I feel sorry that I did not bring you and the babies with me for I know that you would have enjoyed it very much. I think the water is doing me a great deal of good.

Reba Ball is still here, and she is a very sick woman. She has female complaint or symptoms of appendicitis.

(2.)

or symptoms of appendicitis. Dr. Painter came over today from Pulaski City, and they have telegraphed to Tazewell for Dr. Crockett and her father who are both expected here to night. John Ball reached here today, a telegram having been sent to him at Elkhorn. The Grahams of Wythe are still here, and will leave here about the time I do. Mrs. Spotts, Jean & Jessie ^{+ Jeff} ^{Gillespie} Young, Ed. George all leave for home in the morning. The crowd has been thinning out very fast this week and I don't think there are over 50 or 60 here now. They are expecting several more here next week.

They have danced every night since I have been here except Sunday night. Newt, Crockett & Will Young & a Miss Campbell furnished the music.

I will be at home on the 18th if nothing happens to prevent. It seems like I have been from home a month, and you don't know how bad I want to be with my precious ones. Kiss Mary, Annie and Charlie for Papa, and tell them how good Papa loves them, and I send all my darlings a big kiss, and give love to Mother.

Affectionately,
Your devoted husband,
W. R. Graham
