Out of the Attic

Photo Courtesy of Templar Titus

The teacher at Lime Stone School, near Lucketts, gathered her pupils for a visit from the photographer about 100 years ago. Although the names of all the pupils are not known, a few have been identified. The first three boys sitting in the bottom row are Joe Arnold, John B. or Jack Titus, with Harvey Titus at his feet. The second boy from left in the top row is Louis Titus. The fifth boy from the right in the top row is Charlie Titus looking over Jason Arnold's shoulder.
