

# Yakey Auction Brings Crowd

When the M. H. Yakey property at Taylorstown was auctioned last Saturday, the crowd turned out to be about capacity from 1500 to 2,000 people. Car parking and walking space within hearing distance of the sale were at a premium. The sale was advertised through the columns of the Times-Mirror and Robert L. Wright was the auctioneer.

Howard James, of Purcellville, was the purchaser of the house and the five acres of land for \$8,500.
